This book offers an intimate look at the trials and triumphs of an immigrant from Uruguay who spoke no English when he arrived in America. Part memoir, part inspirational life lessons, *From Here to Where???* offers personal insights, inspirational quotes, and sayings that shaped the business ideology of this self-made entrepreneur.

Throughout this book, he explains how he applies or modifies these sayings in real situations to guide him on his path in times of uncertainty. Gabriel Silva Lamboglia writes in his introduction, “The way you choose to apply the sayings and information in this book will determine the results you achieve. However you choose to read the book, I hope you will embrace these sayings and incorporate them into your daily life to help you through uncertain times and to achieve the happiness you desire.”

Presented with delightful illustrations that bring the book to life, *From Here to Where???* inspires all of us to do our best and be our best selves. Whether read in a single sitting, or picked up occasionally for inspiration, this is a valuable book for those who are just starting out and established business leaders alike.
